What Does it Mean to Be a Silver CSS with Sandals and Beaches Resorts?

It means that I have.....

- attended specialized training, achieved a high level of bookings, and made at least one trip to a resort every year.
- access to all of the latest information, sales, and promotions for each of the 15 [Sandals](#) and 3 [Beaches](#) resorts on 7 different Caribbean islands.
- access to the top personnel at each resort so I can contact them on your behalf.
- been to all the resorts so that I can help you choose the resort that's the right fit for you and your budget.
- the answers to your questions. If I don't have it I will get it for you through my network of resources including the GM at each hotel.
